Community Survey

Survey of Lehi, Showing Resources, Industries, Business, Home Life and Schools of Lehi City and Precinct.

During the past winter a class of Lehi men and women, under the direction of Professor Roylance of the U. of U., have been studying the resources of Lehi and have just gotten out a survey of the town and tributary locality. While the data obtained is not complete and in some instances is based on estimates, it contains most valuable information and is a good basis on which to build future work along the same line. The survey covers, our leading industry, lumber, not included in the survey, but information on the other lines is reasonably complete. Messrs. G. A. Goules and Able Phillips were the committee on compilation. Following are extracts on their report:

LEHI DRUGGIST HAS VALUABLE AGENCY

H. B. Merrihew has the Lehi agency for the simple mixture of buckthorn bark, glycerine, etc., known as Adler-I-ka, the remedy which became famous by curing appendicitis. This simple remedy has powerful action and drains such surprising amounts of old matter from the body that just ONE DOSE relieves sour stomach, gas on the stomach and constipation almost IMMEDIATELY. The QUICK action of Adler-I-ka is astonishing.
